Re: UNITE HERE National Health Fund, et al. -v.- Toluca Garment  
Company -- 07-cv-08476-LTS

Dear Judge Swain:

We represent the plaintiffs in the above-referenced action to collect delinquent employee benefit fund contributions pursuant to ERISA Section 515. We are writing to respectfully request the Court's permission for a brief extension of time to August 14, 2008 in which to apply for a default judgment against defendant Toluca Garment Company in this action. We make this request for the following reasons.

On July 3, 2008, the Court granted plaintiffs' request for an extension to July 31 to file for a default judgment. Since that date, plaintiffs have reviewed their files to compile the documents necessary to calculate the damages sought in the default judgment application. This process is taking a larger amount of time than initially anticipated. While this process is almost complete, we will require a brief additional amount of time to finish reviewing the documents and drafting the necessary default application and supporting documents.

Given the foregoing, plaintiffs respectfully request an extension to August 14, 2008 in which to file their application for a default judgment.

The Court's considerations are greatly appreciated.

*The request is granted.*

SO ORDERED.

  
LAURA TAYLOR SWAIN  
UNITED STATES DISTRICT JUDGE

Respectfully submitted,

  
David Q. Sapp (DS5781)
